

Fall 2014 Final Examination Schedule, December 8 - 13, 2014

Use the listing below to determine the final examination schedule for your class. Examinations will take place in the rooms in which the individual classes have been meeting, unless otherwise announced by the instructor. A change in the final examination room assignment may only be made with the approval of the Instructor's College Dean. Notification of the approval must be received by the Office of the Registrar-Scheduling Office before November 21, 2014. Examinations for the laboratory portion of a section may be given during the last week of class preceding the examination week or during examination week at the time period listed on the schedule for the class. Students having conflicts with this examination schedule must notify the appropriate instructor before Friday, November 7, 2014.

NOTE: Examinations for classes meeting at times other than those listed below will be scheduled during the week of finals at a time agreed upon by the faculty member and students. Notification must be sent to the Office of the Registrar-Scheduling Office before November 21, 2014. If exams must be postponed due to inclement weather, exams will be rescheduled at the end of finals week in an arrangement that seeks to best address University classroom scheduling, weather projections and students needs.

SPECIAL NOTE: Instructor of Record - Please contact the Office of the Registrar-Scheduling Office if you will be using a Friday evening time to ensure the buildings and rooms will be open.
